

ESH POLICY

To Adapt, Collaborate, and Transform

In support of Vectrus Vision and Values, we are committed to Environmental, Safety and Health (ESH) excellence. The ESH Department is chartered with, and dedicated to, providing programs and practices that assist all employees in protecting each other, the communities we work in, and the customers we serve.

Vectrus accomplishes this through:

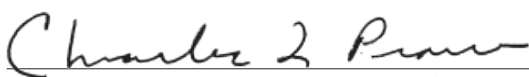

Pollution prevention, including minimization of natural resources and energy usage

Regulatory compliance and corporate initiatives

Improving ESH performance

Dedication to world-class products and customer support

Ensuring a safe and healthy workplace
